30 1 3

Chapter 1 by Kenzie

'Nova wasn't like other girls. In fact, she wasn't a girl at all. She was...'

Nova lives in a Dystopian society, where everyone where white and everyone is the same. It's the perfect society except it's missing one thing, difference.

Chapter 2 by Haydèe

Nova wasn't like other girls.

It is very difficult to destroy differences in a society. Nevertheless, it had been possible in the North Island.

Was that even that the real name of the island?

Nova didn't know, she was born and educated by the Keepers, since she was a baby girl. She didn't know the truth, but she could felt, deep down in her heart, that something had gone wrong with her, a little tiny detail, which was going to make a real big difference.
